

Dr. Fraser's most recent book blends jazz, urban, and disability studies approaches while bringing critical attention to **Tete Montoliu**, an underappreciated artist from Spain.

The **Department of Romance Studies** and the **Center for Global Initiatives** invite you to attend the seminar presented by **Dr. Benjamin Fraser** from the University of Arizona:

Barcelona and the Construction of Iberian Jazz: Beyond Sketches of Spain with Modern Jazz Pianist Tete Montoliu

The seminar will be held in Toy Lounge (4th floor on Dey Hall) on **February 28 at noon.**
